

PLANET Parents' Night Out!

...the kids aren't the only ones who feel like doing cartwheels.

3rd Saturday *every month*
September-May
6:00-10:00pm
Ages 6+

Moms and Dads, drop the kids and *run!* Kids age six and up will have the time of their lives while you have a break. Leave them to **run, jump, bounce, swing, fly, climb, and all-around burn some serious energy** in a safe, unstructured but thoroughly supervised, *super-fun* environment.

Come on and... ☺ bounce down the Tumb!Track

☺ jump into the pit ☺ climb the cargo net mountain

☺ slide down the giant slide ☺ conquer the rock-wall

☺ take a ride in the Zorb Ball

☺ win the dance off

☺ soar on the moon swing

... or just make up your own games.
